PE and School Sport Premium

The government in England is providing additional and substantial, ring-fenced funding to provide support to primary PE and school sport. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school to spend on improving the quality of physical education and sport for all their children.

Vision - Government

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport

Vision – School

Pursue academic, artistic, athletic, and pastoral excellence for every child, empowering them to shape the work in which they live.

Objectives

Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to

- 1) To develop or add to the PE and sport activities that your school already offers
- 2) Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- 3) P.E. helps nurture and develop ambitious learner, responsible citizens and dynamic individuals.

Key outcome indicators; updated for 2017/2018

1. The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Review of PE and School Sport Premium expenditure 2016/2017

| Key priorities to date | Key achievements / What worked well <i>What evidence is there of impact on your objectives</i> | Key Learning / What will change next year <i>Does this impact reflect value for money in terms of the budget allocated</i> |
|---|---|--|
| 1. The engagement of <u>all</u> pupils in regular physical activity – kick-starting healthy active lifestyles | <p>Extra-curricular clubs were offered to children at HPS from year 2 onwards.</p> <p>A Change4life club was established. However, it was late in the academic year and resulted in lost momentum from previous delivery due to staffing issues.</p> <p>Provision of new and more diverse activity equipment have allowed for greater creativity during extra-curricular time. (every lunch time)</p> | <p>Through school council / sports crew we have sought ideas and suggestions from the pupils to help structure an offer that better reflects their needs and interests.</p> <p>Change4life club has become more of a focus which will enable us to explore different ways of delivering it to ensure we are attracting the least active children.</p> <p>Young leaders to use that equipment to deliver more structured and meaningful physical activity sessions.</p> |
| 2. The profile of PE and sport being raised across the school as a tool for whole school improvement | <p>As members of the Npton SSP Enhanced programme, HPS established a working relationship with Npton SSP and sought their advice and help to improve P.E. and school sports.</p> <p>HPS also took part in L2 school games competitions, Year 3/4 festivals and young leader training.</p> | <p>Working with partnership to develop ‘a live action plan’ that will be reviewed on a regular basis to ensure there is a noted improvement in the quality and quantity in the provision of P.E. and school sports and physical activity opportunities available to all or pupils.</p> |
| 3. Increased confidence, knowledge and skills of all staff in teaching PE and sport | <p>HD/SF observed ‘Real P.E.’ being taught at Lings Primary School.</p> <p>HD attended AFPE Safe practise in PE and School Sport training.</p> | <p>2016/17 saw plans being put in place to upskill the P.E. team to improve the quality of delivery to all pupils.</p> <p>RI/HD/SF to attend Real P.E. training:</p> <p>Day 1 – 18/10/17</p> <p>Day 2 – 16/01/18</p> <p>Day 3 – 09/03/18</p> |

| | | |
|---|--|--|
| | A dance specialist was in HPS from January 2017, working with year 5, Reception and year 3 to upskill pupils. | From term 2, HPS will be following the 'Real P.E.' scheme. PPA cover will follow the scheme in an hour's session and class teachers will reinforce the skills and apply skills taught in a follow up session. PPA cover and class teachers will be working closely to allow effective delivery and follow the requirements of 2 hours of P.E. a week. Real P.E. tutors will be in to support RI/HD/SF with Real P.E. as part of their CPD. |
| 4. Broader experience of a range of sports and activities offered to all pupils | Extra-curricular clubs included: External providers: Hotshots Basketball, Patrick Franks Football, Gymnastics Internal providers (Sports Coaches) : Year 5/6 Football (boys / girls), Cricket (KS2), | All clubs proved to be popular and engaged the pupils therefore HPS have continued with the clubs for the academic year 2017/18. All pupils (year group appropriate) have been offered a place in the clubs. HPS are looking to further develop extra – circular opportunities by offering lunch time clubs run by young leaders / RI particularly targeting least active pupils (starting from term 2). A tracking system has been put in place to allow monitoring of extra- curricular participation. |
| 5. Increased participation in competitive sport | Headlands participated in 41% of the School Games competition offered by Npton SSP. Headlands also took part in the football/tag rugby/ rounders' competition offered by the NTSSF. | HPS have pre-selected competitions for the academic year 2017/2018 and have planned provision to allow participation. A tracking system has been put in place to allow monitoring of competition participation. |

Department for Education guidance on how to use the Primary PE and Sport Premium – updated in October 2017

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.

This means that you should use the premium to:

- ✓ Develop or add to the PE and sport activities that your school already offers
- ✓ Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

For example, you can use your funding to:

- ✓ Introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- ✓ Embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching
- ✓ Encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
- ✓ Provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the national curriculum
- ✓ Provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively
- ✓ Hire qualified sports coaches to work with teachers to enhance or extend current opportunities
- ✓ Support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs
- ✓ Partner with other schools to run sports activities and clubs
- ✓ Enter or run more sport competitions
- ✓ Increase pupils' participation in the [School Games](#)

You should not use your funding to:

- ✓ Employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets
- ✓ Teach the minimum requirements of the national curriculum - including those specified for swimming (or, in the case of academies and free schools, to teach your existing PE curriculum)
