

Headlands Primary School Curriculum Overview

YEAR 4

Year 4 Team

9CC - Mrs Clarke supported by Mrs Coad

10FM - Miss Makungu supported by Mrs George.

Learning Opportunities beyond the Classroom

In term four, year 4 children will be learning about India. In support of the children's learning, we will be immersing the children in a variety of activities and opportunities. To inspire pupils and make learning interesting a speaker from Action Aid will be invited to carry out a half day workshop where children will learn about life in rural India through Action Aids unique blend of global learning tools and artefacts.

We have also arranged for the whole of Year 4 to visit an Indian restaurant for lunch on Tuesday 20th April where children will get the opportunity to experience the sensational taste of authentic Indian food.

Year 4 residential

Another reminder that next term, the children will go on a residential trip to Kingswood Camp in West Runton, Norfolk. The residential aims to instil self-confidence, through a positive experience which is both educational, enjoyable, challenging and rewarding. For more information please visit their website; www.kingswood.co.uk.

Communication

If you have any queries about the daily routine or what your child is learning then do not hesitate to get in touch with your child's class teacher in the first instance.

Please note that our designated person for child protection is Mr Smith, in his absence please see Mrs Smith (Deputy Head Teacher) or Mrs Ritchie (Family Support Worker)

Homework

Times tables and MyMaths will be set every Friday and is due in the following Wednesday.

Your child is expected to read 4 times each week and have this recorded in their reading diary. Reading diaries will be checked every Friday.

Children to practise their times tables and weekly spellings.

PE lessons will take place every other Tuesday and every Thursday and they will need the correct colour t-shirt, blue shorts and plimsolls/trainers. Children will also need black/dark blue joggers and a jumper.

Please ensure that your child has their complete PE kit in school all week

Swimming Please note children who have not achieved their 25m will continue swimming every Monday. Please ensure that they have their kit and towel in every Monday.

By the end of Year 4 most children will be able to do the following:

Reading	Writing	Maths
<p>Give a personal point of view on a text. Re-explain a text with confidence. Justify inferences with evidence, predicting what might happen from detail stated and implied. Use appropriate voices for characters within a story. Recognise apostrophe of possession (plural). Identify how sentence types can be changed by altering word order, tenses, adding/deleting words or amending punctuation. Explain why a writer has used different sentence types or a particular word order and the effect it has created. Skim and scan to locate information and/or answer a question.</p>	<p>Vary sentence structure, using different openers. Use adjectival phrases. Use appropriate choice of noun or pronoun. Use fronted adverbials. Use apostrophe for plural possession. Use a comma after fronted adverbials. Use commas to mark clauses. Use inverted commas and other punctuation to punctuate direct speech. Use paragraphs to organise ideas around a theme. Use connecting adverbs to link paragraphs. Write with increasing legibility, consistency and fluency.</p>	<p>Count backwards through zero to include negative numbers. Compare and order numbers beyond 1000. Compare and order numbers with up to 2 decimal places. Read Roman numerals to 100. Find 1000 more/less than a given number. Count in multiples of 6, 7,9,25 and 1000. Recall and use multiplication and division facts for all tables to 12x12. Recognise PV of any 4 digit number. Round any number to the nearest 10, 100 or 1000. Round decimals with 1dp to nearest whole number. Add and subtract numbers with up to 4 digits using the written column method. Multiply 2 digit by a 1 digit. Multiply 3 digit by a 1 digit. Count up/down in hundredths. Recognise and write equivalent fractions. Add/subtract fractions with the same denominator. Read, write and convert time between analogue and digital 12 and 24 hour clocks.</p>
